

Conquering the WORLD, one language at a time

G.W. Carver Elementary is a small and nurturing school, full of dedicated professionals committed to student achievement and successful personal growth. Committed to engaging students in inquiry-based learning, we require students to connect with global issues of significance while learning a second language in addition to primary fundamental academic skills, necessary to access higher levels of education.

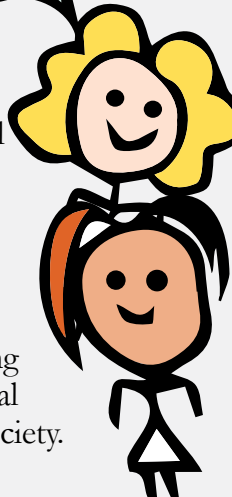

Vision

Our vision is to provide a multilingual environment that prepares students for global success in an ever-changing world.

Mission

The mission of the International Studies/International Education Magnet program at G.W. Carver Elementary is to foster an innovative, multilingual program with an academically challenging and rigorous curriculum, ensuring student achievement and personal growth for success in a global society.

Eligibility:

- Must have a cumulative 2.0 GPA or higher in core academic subjects
- Must have a minimum 2.0 or higher in conduct
- No more than ten (10) unexcused absences

How to Apply:

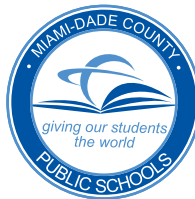

Applications may be obtained online during the October 1st - January 15th application period. Once the completed application is received, eligibility is determined. When the number of eligible applications exceeds the number of spaces available in a magnet program, a computerized random selection process is used for student selection.

Additional information on the Magnet Application process can be found at the School Choice & Parental Options website: miamimagnets.org or contact the school for enrollment opportunities outside the normal Magnet Application period by visiting: littlecarver.dadeschools.net

International Education Program (Spanish)

Our International Educational (IE) Program immerses students in a multicultural curriculum, which places emphasis on learning Spanish as a second language. Students are exposed to challenging dual language instruction, uniquely designed to provide a cross-cultural program of study. Students learn authentic language patterns and concepts. They also engage in hands-on experiences and project-based learning promoting success in a targeted second language.

International Studies Program (Italian)

The International Studies (IS) Program provides a rigorous international and academic program. IS students study Language (grammar/writing and literature) and Humanities in Italian. A supportive collaboration with the Italian government ensures that the educational requirements and standards of Italy are upheld and taught in the curriculum for the purpose of second language acquisition and program integrity. IS students in grades 1-5 receive an additional hour of Italian language.
