Dear Friend of Carver:

We are pleased to invite you to embark on a great opportunity to help young scholars at G.W. Carver Elementary (Little Carver) and G.W. Carver Middle School (Carver Middle) to achieve their educational dreams. For the past 43 years, *Friends of Carver Fundraising Gala* has served as a gathering place for teachers, parents, administrators, and alumni to have fun and raise funds for a most worthy cause, the education of the next generation.

Little Carver is a foreign language magnet school that serves children from a variety of socio-economic and cultural backgrounds who find this small, warm school the perfect fit! With your generous support, we can continue to offer after school programs and enriching educational programs so students develop the love of learning.

Carver Middle is a foreign language magnet school and has been recognized as the number one traditional public middle school in Florida. Students come from all over Miami. With your generous support, the school can continue to create meaningful, yet creative opportunities for the children to learn and to develop the curiosity for wanting to learn more, even beyond the classroom.

We are excited to announce that once again this year our fabulous silent auction will be available online. Online bidding significantly expands our audience, giving your business much greater exposure. Your donation will be featured on the auction site, with an item image and company logo linked to your website. All sponsors will be recognized in our website and additional recognition will depend on the sponsorship level you choose.

With your generous support, you will help enhance educational programs for about 1,300 children in both schools. We thank you in advance for choosing to support the education of these future leaders. Your donation will make a difference in the lives of Carver Schools' students.

With gratitude,
