## JOIN THE PTA!

The PTA is the Parent-Teacher Association. If you have a child, nephew, niece, grandchild, stepchild, foster child, THEN YOU ARE THE P in the PTA! In a nutshell, it is an organization intended to HELP:

- Parental participation in the school!
- Help fund school programs like Accelerated Reader and attendance incentives.
- Help the teachers supply their classrooms so your kids get the best education possible.

But who has the time?"

ALMOST NO ONE! (Psst: That's why you are getting this on a Friday.) Those of us who have 2 to 5 minutes to spare here and there decided to dedicate it to help our school, our teachers, our kids and our Little Carver Community! IT'S ok if you don't!!! . WE ALL UNDERSTAND how busy we all are! BUT..... you can JOIN, give your membership fee of \$20 and walk away knowing you helped! It is not mandatory to attend the meetings. You won't get in trouble nor will the other PTA members be whispering that you didn't attend. The class with the most memberships (80% percent of students or more) will win an Ice Cream Party!
