SUMMER ASSIGNMENTS: Incoming 1st Grade Students

During the Summer vacation, it is important that students continue reading and practicing the comprehension skills and strategies they have worked on throughout the school year. Therefore, students should read **at least two books** and complete **one activity for each of the books** read during the Summer recess. Using the book list provided, students should select one fiction and one non-fiction book to read. All the books can be accessed on myOn via the student portal. Students will be able to choose which activity they would like to complete for each book from a list of activities. We encourage students to select a different activity for each book. The assignment will be due on the first day of the new school year.

A list of suggested books from our First Grade Teachers can be found on the next page.
