

Taste of Carver

Friday, January 26th, 5:30-7:30PM

G.W. Carver Elementary School Courtyard

Taste of Carver is a cultural expedition bringing students, teachers, parents and the local community together to celebrate the diverse population of G.W. Carver Elementary School by highlighting food, art and entertainment from cultures around the world.

Students and families can sign up to do a cultural performance (sing, dance, play a musical instrument, etc.) or host a booth on your culture. Hosting a booth can include sharing information about your culture, having sample traditional foods or leading participants to create a cultural craft.

Brought to you by the G.W. Carver Elementary School PTA with the support of the City of Coral Gables Cultural Grants.
