### READING SUMMER ASSIGNMENTS: Incoming 3<sup>rd</sup> Graders

Continuing to read over the summer is crucial for our students as it helps maintain their reading skills and prevents the "summer slide," ensuring they are ready for the challenges of the new school year. Encouraging daily reading fosters a lifelong love of learning and keeps their minds engaged and curious during the break. Incoming fourth grade students will be reading 2 books over the summer (**ONE** non-fiction and **ONE** fiction book from the list below). \*A TOTAL OF TWO BOOKS

During the **first quarter of school**, your child will be required to take TWO AR tests on their summer reading books without the books present, which will be counted as a reading grade.

<b>Non-Fiction Books (choose 1)</b>	<b>Fiction Books (choose 1)</b>
Mars: Earthlings Welcome by: Stacy McAnulty  <b>OR</b>  What If You Had an Animal Nose! by: Sandra Markle	Wish by: Barbara O'Connor  <b>OR</b>  The War Lemonade by: Jacqueline Davies

**Electronic versions of these books may be found online at <http://read.dadeschools.net>**

### Summer Math Assignment for Incoming 3<sup>rd</sup> Grade Students

Students are REQUIRED to achieve 100% fact fluency in addition and subtraction on Reflex Math upon entering 3<sup>rd</sup> grade. Please note that students who have mastered their basic addition and subtraction facts, should move on to mastering their multiplication and division facts. Data has proven that students who are proficient with basic facts are scoring higher and growing faster than their peers. Reflex Math is the resource that M-DCPS and George W. Carver Elementary School utilizes to master their basic math facts as a prerequisite upon entering their grade level. **This mandatory assignment will be counted as a grade on the first quarter** based on the following grading scale:

- 90% - 100% Fact Fluency – A
- 80% - 89% Fact Fluency – B
- 70% - 79% Fact Fluency – C
- 60% - 69% Fact Fluency – D
- 0% - 59% Fact Fluency – F

Students transitioning from private and/or charter schools, without previous access to Reflex Math, will be assessed on their math fact fluency during the **first quarter of school**. Please plan to ensure that your child is prepared. [www.ReflexMath.com](http://www.ReflexMath.com)
