Kindergarten Supply List & Summer Learning Assignments 2025-2026

Summer Assignment for Incoming Kindergarten Students

Entering kindergarten marks a big milestone for our youngest learners. While this exciting transition into “big school” can sometimes bring a few first-day jitters, it also opens the door to building new friendships and a strong classroom community.

To ease this transition and help students feel confident and connected, our summer assignment is designed to celebrate who they are while getting to know their new classmates.

Please review the two-part assignment below:

1. **Summer Reading:**

The King of Kindergarten by Derrick Barnes (can be found on YouTube [HERE.](#))

Start your child's kindergarten journey with this joyful and encouraging story that captures the excitement and pride of starting school. It's a wonderful way to begin conversations about what to expect on the first day!

2. **All About Me! Poster Project**

Each student will create an “**All About Me**” poster to share during the first week of school. This activity helps our young learners find common interests with their peers and feel seen and celebrated in their new classroom.

Poster Guidelines (12 in. x 12 in.):

Please include the following:

- Full name
- Age
- Name of preschool
- **Favorites:** Color, animal, sport, food, and hobby
- Family members (Photos are welcome!)
- What you're looking forward to learning in kindergarten
- Any other fun or special information your child wants to share

Students are encouraged to be creative! While photos and decorations are optional, they're a fun way to personalize the poster.

Due Date: The First Day of School

We can't wait to get to know each of our new kindergarteners and build a classroom where every student feels like they belong.
